

3 STEPS FOR BIBLE READING:

i. Pray to God in order that the Spirit will illumine your study (1 Cor. 2:6-16).

1. OBSERVATION: What does it say?

- ♦ Ask who, what, when, where, & how.
- ♦ Notice words, characters, plot development/ resolution, & context.
- ♦ Examine relationships to other parts of the Bible: Does this passage quote another passage or does another passage make use of your passage? Use your Bible's cross-references.

2. INTERPRETATION: What does it mean?

- ♦ What is the main point of this passage? How does it contribute to the surrounding story, oracle, teaching, book, etc.?
- ♦ What does this passage teach about God, man, and the way God has progressively brought about salvation through history?
- ♦ Don't understand something? Write down your questions and seek answers. Read your Study Bible notes, speak with other Christians, be bold to ask your pastor or elders.

3. APPLICATION: How does it change me?

- ♦ What did the author intend for the original audience to do as a result of this passage? Did the author want to inform, command, encourage, rebuke, etc.?
- ♦ What parallel application should be made in your contemporary context?
- ♦ What should I believe as a result of this passage? How should I live? What does God want me to do?

“But as for you, continue in what you have learned and have firmly believed, ... you have been acquainted with the sacred writings, which are able to make you wise for salvation through faith in Christ Jesus. All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be competent, equipped for every good work.”

— *The Apostle Paul*
